

## RUN DOWN THIS RIVER

Excuse me I'm gone  
Excuse me I'm gone for a while  
I'm singing this song to tell you  
I'm gone for a while  
I need to find someone I used to know  
Excuse me I'm gone  
Excuse me I'm gone for a while

Gonna run down this river  
Gonna run down, I need to find  
Something I've lost on the way  
Gonna run down this river  
And let the water carry me back  
Somewhere I used to belong  
Somewhere I used to belong

Man's like a a flower  
Mans's like a flower in the wind  
Today we grow, tomorrow we go  
We just fade away  
I need to find  
Something that is gonna stay  
Excuse me I'm gone  
Excuse me I'm gone for a while

Gonna run down this river  
Gonna run down, I need to find  
Something I've lost on the way  
Gonna run down this river  
and let the water carry me back  
Somewhere I used to belong  
Somewhere I used to belong  
Somewhere I used to be home

Excuse me I'm gone  
Excuse me I'm gone for a while
